

Irrigation Designer

Information Collection

Please fill out all of the details below. This will help us plan your system as fast as possible. Use the graph paper on the next page to draw the area you want irrigated.

Personal Details:

Name:	
Address:	
Postcode:	
Phone Number:	
Email Address:	

How would you prefer to receive your irrigation system?

Pick – up	Delivery
-----------	----------

System Details:

What type of irrigation system would you like?	Pop up sprinklers	Sub surface drippers
---	-------------------	----------------------

What type of soil do you have?	Sand	Clay	Loam
---------------------------------------	------	------	------

How many seconds does it take to fill a bucket?	Size of Bucket: _____ Litres	Time to fill: _____ Seconds
--	------------------------------	-----------------------------

Mark the following on the plan:

Item	Tick when done
Tap / water source location (the one you want to use for the system)	
Low point (if any)	
High point (if any)	
All measurements (Please put a measurement next to each line on the plan)	
Existing trees and plants	

What level of automation would you like?

Type of Automation	Tick your choice
No Automation	
Manual 2 hour Tap Timer	
Digital Tap timer	
Full automation (zone controlled system with solenoids and computer)	
Full automation with WIFI	

Scale: 1cm = 1m.

- Draw the area you want irrigated onto this graph paper
- Use multiple sheets of graph paper for larger areas.
- Consider using different colours to make the drawing as clear as possible
